Class News 我們的近況：

Thank you to all the parents who took time to participate in the Tuen Mun Park visit and Open House.

A very 'Happy Birthday' to the children born in May, June and July. Wishing you all the very best!

Happy Birthday to Kwok Siu-ping and WU Sum-yuet.

Teacher's Corner 老師的話：

It has been so nice to see the children getting involved in a variety of activities. Children have participated and co-operated well. We learnt about firefighters and doctors and learnt to say 'Thank You All' to all the community helpers during the theme. In the 'Summer' theme children could share their experience of different summer activities they do. Parents had an opportunity to spend time with their child during Open House which was enjoyed by all.

Class News 我們的近況:

- We celebrated our 5th birthday party on 6th June. PN's birthday celebration was 'Super Hero'. Our Birthday Rock Stars are:
CHEUNG Yuet-ling & LAU Chin-chung
- Children enjoyed the 'Thank You All' I Love Summer theme very much. They were able to say what they want to be when they grow up and enjoyed summer activities which we arranged at school such as playing with sand & shells, mixing colours and shadow play. I would like to say thank you to all the parents who joined our 'Parent Open House'.

Teacher's Corner 老師的話:

The children are growing rapidly. Each and every day they learn new words and phrases and it is wonderful to hear and see them engage with their teachers and peers in such a positive way. Children have participated well in all the learning activities such as practising fine motor skills by squeezing paper, learning gross motor skills such as catching, throwing and kicking a ball, but they have especially enjoyed story time. Since the weather is beginning to get warmer children have started their toilet training. I'm very glad to say that almost 90% of PN2 have already said bye bye to their diapers. This is a wonderful collaboration of parents and school. I would like to thank all the parents and caregivers for their continued support.

PN role-play activities.

N class practising letter formation.

LK class learning how to 'blend' & rhyme.

UK1 prepare for the English Graduation speech.

English Language and Phonics News:

As we come to the end of another successful school year it is time to find out what the classes have been up to during their final 2 months of school and how they are preparing to continue on their educational journey.

PN children have had a fabulous time pretending to be a multitude of community helpers, especially the 'hands-on' cow milking activity! They have engaged in summer related games and stories and are now ready to hit the waves at the beach! They have all grown in so many ways, most notably physically, emotionally and socially, and we can't wait to see them develop even further in the KG section next year 😊.

N children have finalised learning all the sounds of the alphabet letters and are able to hold their pencils well; it won't be long before they're practising their letter formation in LK Class!

LK children have perfected their letter formation and have embarked on their journey of learning to read, write and spell using the skills they have learnt in their phonics classes. They're now ready for the more challenging environment of the UK level.

UK children have worked tirelessly to finish all the set learning tasks. Having gained a solid foundation in their English reading and writing skills and learnt some introductory grammar concepts they are now ready to tackle the demands of P1. Congratulations Graduates!

The holidays are fast approaching, we would like to wish everyone a relaxing and fun summer, wherever you might be! 🌞🌴✈️
